Mr. Thomas J. Kelley
Assistant Director
United States Secret Service
Department of the Treasury
Washington, D. C.
20226

Dear Mr. Kelley:

I am sorry to trouble you again concerning this particular matter and hope that this will be the last time I shall have to do so.

In your letter of June 18, 1970 you stated that the Secret Service did not conduct any investigations of the matter of which I am interested in. At this time, I would like to have established as a matter of record, whether or not the Secret Service may have obtained from other agencys, any information regarding the matter refered to in my previous letters.

Your cooperation is very much appreciated.

Very truly yours,
